

Dear Friends,

I am sorry for my sudden departure, but as you know I was summoned back to Celene by Queen Yolande. Word of our victory against Vecna did not take long to make its way to the queen, and she has instructed Caemanil and I to start a bladesingers college to train the next generation of defenders of the fei realm. She is concerned about the dangers from the Orcish Empire of the Pomarij, and is unsettled by the recent death of King Belvor.

If you wish to find me, follow the road from Ostverk to Enstad; after a day of walking you will come across The Order of the Gold Dragon. Caemanil and I have learnt a lot since joining forces with you all, and we have adapted our bladesinger style to incorporate some of those valuable lessons.

As a thank you for helping me defeat Vecna, I have included some small gifts to help you on your next adventure.

Until we meet again,

Elhadron and Caemanil
